Men Having Babies' Resources At-a-Glance

The mission at Men Having Babies is to help prospective parents understand the surrogacy process and have the tools to approach a surrogacy journey in an ethical, legal, and informed manner. There are a number of tools available through Men Having Babies for this purpose. Please use the below links to navigate the tools on the website and help you find what you are looking for. You can also reach Men Having Babies at Team@MenHavingBabies.org

Research

Research Library – compilation of surrogacy and parenting related research, academic studies and reviews, and professional articles.

The MHB Article Library – an indexed library of topics related to surrogacy and parenting. Including **MHB's Guidelines for Safe, Legal, and Ethical Surrogacy Abroad.**

Ask the Expert – a range of articles written by industry experts address the major medical, legal, financial, and social issues.

Video Library – clips from conference and additional videos related to gay parenting.

FAQs, Blog, and Book Library – great tools for your surrogacy journey.

Webinar Archives – this member's only area has all past webinars on topics from choosing an egg donor to understanding surrogacy and citizenship

Provider Outreach

Provider Directory – a listing of all providers who participate in Men Having Babies' programs (conference, Membership Benefits Program, and Gay Parenting Assistance Program). Quick reference to see basic information or click through to their profile

Agency Ratings and Reviews and Clinic Ratings and Reviews – read reviews of providers from parents who have completed a journey with them.

Legal Directory – a listing of lawyers in the field that participate in the programs and have reviews from parents who worked with them.

Consult Form – an easy way to request more information from the providers you choose.

Discounts, Special Programming, and Financial Assistance

Membership Benefits Program – the program is open to anyone 18 years and older though a minimum donation to Men Having Babies. Members are eligible for discounts at participating providers, as well as the ability to apply for GPAP, special events, workshops and support groups. The benefits are listed in the Member's Zone.

Gay Parenting Assistance Program (GPAP) – a financial need program for gay men (singles or couples). GPAP offers 2 levels of support, Stage I gives access to a higher level of discounts than that of the Membership Benefits Program, and Stage II matches recipients with donated services and grant funding as needed. The GPAP application for the initial Stage I approval is open year-round to members.
