Tehos is a french artist currently living in Nice, south of France.

His concerns are the erosion of the social fabric and the respect for human beings.

He has exhibited in France, Monaco, Italy and Dubai to name a few and his artwork has been featured by the newspaper *"Le monde Diplomatique"*, worldwide edition.

He has also illustrated the advertisement posters of the *"Art monaco"* art fair 2014 and won the price of the Jury of the IAA Unesco in Monaco 2011.

Tehos has been featured as emerging artist of the week on the Elevision media network, the United Arab Emirates largest network of digital screens in March 2020, exclusively curated by Emerging Scene.
