0

SATURDAY 21ST AUGUST // THE EMIRATES FA CUP PRELIMINARY ROUND // ATT: 226

Both teams were restricted to half chances in the opening quarter of the game and Stow were forced into an early substitution, Sweeney replacing the injured marksman Mayhew.

A Stow free kick saw a point blank header from Bullard well saved by Budd between the sticks and the home side were looking more comfortable and starting to take control of the game.

On 37 minutes Bugg's run down the left and cross to Collard in the box, who made no mistake to put the home side in front.

Just before the break, Stowmarket doubled their lead, a glancing header from Bugg from Munday's cross found the bottom right corner. Half time 2-0.

In the second half Jefford's header added a third for Stow and on 90 minutes, Machaya's shot was parried in the path of Ainsley who made sure of Stow's progression into the next round.

2

SATURDAY 29TH AUGUST // THE PITCHING IN ISTHMIAN LEAGUE NORTH // ATT: 213

Report by: Iain van der Ree

Stowmarket Town's first away game of the season against the league favourites Maldon & Tiptree ended in disappointment for Paul Musgrove's side in an evenly matched contest.

Stowmarket found themselves on the backfoot earlier on in the first half and much against the run of play, Evan Collard broke through Maldon's defence with a curling shot into the top right hand corner of the goal, his third in as many games.

Maldon immediately hit back when Scott Kemp knocked the ball past the Stow keeper and into an empty net. As halftime approached Maldon's Bryan Ifeanyi latched on to a Bradbrook save to make it 2-1.

With Stowmarket pushing hard for the equaliser, a blocked clearance saw Anthony Spyrou take his chance with a well taken goal. However, it was Scott Kemp with his second goal of the afternoon, who scored late on from a pinpoint pass to give the home side all 3 points.

The History of Bury Town Football Club Founded 1872

Founded in 1872, Bury Town Football Club is one of the oldest Football Club's in the country and has a proud history dating back over 140 years.

The club was founded by Mr William Lake at a meeting in the Suffolk Hotel. The original name of the club was Bury St Edmunds FC and the first committee of the club elected to choose royal blue as the club's colours.

The club took up residence at Kings Road, also know as the Cemetery Road ground, in 1888. Kings Road was the first football ground in East Anglia to operate floodlights when on Monday 12th January 1953, the Blues played their first ever floodlit game against Cambridge City in front of 2,105 spectators. A total of 14 bulbs of 1500 watts illuminated the Suffolk skyline for the first time and history was created. The lights were financed by the Bury Town Supporters Club.

A notable player for the club in the early days was Reginald De Courtney Welch who appeared as a defender for Bury St Edmunds in 1877. De Courtney Welch was a member of The Wanderers side that won the first ever FA Cup in 1872 and he also played in the first ever official international match for England, against Scotland in November 1872.

The club was one of 11 founder members of the Suffolk County Football Association in 1885 and has won the Suffolk Premier Cup on 13 occasions.

The club's name was changed by a vote to Bury Town in September 1885, however 10 years later the members chose to adopt the full name of the town back as the name, before changing to Bury United in 1908.

In 1923 the club's members decided that the name 'United' was no longer appropriate as there were a number of sides in Bury St Edmunds, and decided to revert to Bury Town, which has remained to this day.

The club played in various local leagues until 1935 when it became a founder member of the Eastern Counties League. The club spent a total of 22 consecutive seasons in the Eastern Counties League, finishing as runners up in 1937-38. The Blues claimed the ECL title in the 1963-64 season as part of an historic treble, as they also captured the ECL Knockout Cup and the Suffolk Premier Cup.

This success saw the club move to the Metropolitan League and they kicked off their first ever Metropolitan game against Charlton Athletic 'A' at Kings Road in front of 1,150 spectators, Bury running out 1-0 winners. The club finished 4th in their first season and also retained the Suffolk Premier Cup.

Season 1965-66 was another successful season and another treble haul of trophies as the club stormed to the Metropolitan League title, won the Metropolitan League Cup and the Suffolk Premier Cup again. By this time the club were averaging over 1,000 supporters at their home matches and interest in the club was at an all time high.

In 1968, the Blues reached the First Round Proper of the FA Cup and drew Third Division side Bournemouth & Boscombe at Kings Road. 3,000 spectators assembled and witnessed Bury hold the Football League side to a goalless draw. The replay saw Bournemouth win through by 3 goals to 0 at Dean Court. The season had further success when the Blues won the Metropolitan League title for a second time.

The club's success resulted in them taking the bold step to join the Southern Football League for the 1971-72 season. The club struggled to adapt to their new surroundings and after five seasons, decided to take the decision to re-join the Eastern Counties League, a decision that proved unpopular with supporters.

On Wednesday 28th April 1976, Bury Town played their final match at the historic Kings Road ground when West Ham United were the visitors. 1,750 watched on as the sides drew 2-2, and a pitch invasion signalled the end of the Blues' spiritual home.

Bury Town moved into their current Ram Meadow ground in 1978 and collected the Suffolk Premier Cup as a reward.

The Blues spent a total of 11 seasons back in the ECL and their most successful moment of that time came in their final season when they reached the 4th Qualifying Round of the FA Cup and were drawn away at Football Conference leaders Enfield. The sides drew 0-0 at Southbury Road and returned to Ram Meadow for the replay, however in front of 2,500 supporters, the visitors sneaked home 1-0 to reach the First Round Proper.

The 1987-88 season saw ambition return to the club and Bury were promoted to the Southern League. After a few seasons of promising results and large home crowds, the Blues failed to reach the Premier Division, the closest they came was finishing 4th in 1988-89. Years of overspending on players and ground improvements finally caught up and the club drifted into decline as the crowds drifted away. On the 4th May 1996, the Blues were relegated at Redditch United from the Midland Division of the Southern League, back to the Eastern Counties League.

The club spent another 10 years in the ECL, and despite some early seasons of struggles, success coincided with the appointment of former Colchester United captain Richard Wilkins to the manager's seat.

The club reached the Quarter Final of the FA Vase in 2005 and then the Semi Final in 2006. Crowds rose back up and after two consecutive runners up spots in the Premier Division of the ECL, the club were promoted to the Isthmian League for the first time in their history.

The stay lasted two seasons and after adjusting to a higher level in 2006-07 with a 17th place finish, the following season saw the Blues finish in 7th position.

The FA re-organisation in 2008 saw Bury moved into the Southern League for a third spell of membership. A successful campaign saw Bury finish in 7th position in the Midland Division table, reach the First Round Proper of the FA Cup, losing 4-2 at Alfreton Town, and reach the Semi Final of the Southern League Cup, however in 2009-10, Bury Town clinched the Southern League Midland Division Championship on the final day of the season with a 3-0 home victory over Marlow in front of 1,550 supporters.

The Blues piped Hitchin Town to the title, scoring 115 goals during the campaign and collecting 102 points to gain promotion. Another move across the pyramid saw the Blues re-join the Ryman League for the 2010-11 season, entering the Premier Division.

A great season saw Bury finish third, but go out of the play off's to Lowestoft Town. There was however some silverware for the boardroom as Bury defeated Needham Market 2-0 in the final of the Suffolk Premier Cup at Portman Road.

20011-12 saw the club lift the Ryman League Cup with a victory over East Thurrock United and again finished in the play off places, but lost out to AFC Hornchurch in the Semi Final.

2014-15 saw our spell in the Premier Division come to an end after 5 years with relegation to Division One North. In our last two seasons back in Division One North we have finished in 13th and 11th place. 2017-18 saw the Blues finish 9th and reach the final of the Suffolk Premier Cup.

2018-19 saw the Blues press for the play off places and a hope of a return to the Premier Division. It was a successful season with a 6th placed finished achieved, the best finish the club has had since relegation in 2015.

THE NON-LEAGUE PAPER

ESSENTIAL READING FOR FOLLOWERS OF THE NATIONAL GAME

THE FA's restructure at Steps 4-6 this summer solved some problems but not all.

Clubs who had performed consistently over the curtailed seasons of 2019-20 and 2020-21 were awarded promotion on points-per-game.

In total, 110 clubs were upwardly moved as a new Northern Premier League Midlands division was formed at Step 4, two new Step 5 divisions administered by the Combined Counties League and the United Counties League and the Step 6 structure reduced to 17 divisions.

But vacancies across Steps 1-4, due to the resignations of clubs over the past two years, still remained although it was never the FA's intention to fill them as part of the restructure.

Instead, the vacancies will be filled ahead of the 2022-23 season via reprieves as laid down in the FA rules.

Providing no club goes under or fails its ground grading during this season, this is what should happen:

At Step 2, each champion and play-off winner is promoted (four clubs in total). The bottom clubs in National League North and South will be relegated (two clubs in total). Step 2 is increasing to 24 teams in each league from the 2022-23 season.

At Step 3, each champion and play-off winner is promoted (eight clubs in total). Of the 16 clubs finishing in relegation positions, seven will be reprieved, comprising the clubs finishing 4th bottom in each Step 3 division plus three of the four clubs that finish 3rd bottom with the best unweighted points-per-game record. The 3rd bottom club with the worst PPG record across the Step, plus all 2nd bottom and bottom placed clubs will be relegated.

At Step 4, each champion and play-off winner is promoted (16 clubs in total). Sixteen Step 5 champion clubs are automatically promoted and replace the bottom and 2nd bottom clubs at Step 4. Nine clubs with the best points-per-game are reprieved due to the vacancies at Steps 1-4 and the number of clubs at Step 2 increasing. This will leave seven Step 4 clubs playing off against seven Step 5 runners-up with the remaining eligible Step 5 clubs promoted.

Although reprieves are usually awarded to clubs with the best PPG records, the FA Alliance Committee has the power to vary that model.

Get your calculators and spreadsheets at the ready for the final weeks of the season!

	Promoted	Relegated
Step 2	Champion and play-off winner (4 clubs in total)	Bottom clubs in NL North and South (2 clubs in total)
Step 3	Champion and play-off winner (8 clubs in total)	16 clubs in relegation positions - 7 clubs with the best PPG reprieved, 9 clubs relegated
Step 4	Champion and play-off winner (16 clubs in total)	8 bottom-placed clubs and 8 second-bottom clubs relegated. 9 of the 16 third and fourth bottom clubs with best PPG are reprieved. Remaining 4th and 3rd bottom clubs go into play-offs vs Step 5 runners-up
