

Thank you so much for your interest in supporting Richmond Hope for Hospitals' cookbook, "From Our Kitchen to Yours"! Everything from the formatting to the art and the writing in the cookbook was created by the members of RHFH.

Who can participate in this fundraiser?

Students, teachers, staff, parents, friends, relatives, etc. Anyone and everyone! :)

Where will the donations go?

All proceeds will be donated to the Richmond Hospital Foundation. Raised funds will go towards their [Surgical Restart Campaign](#) and will help purchase urgently-needed surgical equipment that will allow for shorter surgeries, greater efficiencies, faster healing times and improved outcomes for patients.

Pre-ordering steps:

1. The person who will be *dropping off* the payment must fill in the preorder form at the following link: <https://forms.gle/Q4gTtP3vXLLBNqfJ7>
2. Bring your payment to one of the payment/donation collection stations anytime from May 3rd to May 6th after school (2:50 pm ~ 3:15 pm). Tables will be set up in front of the office and in front of counselling in B wing.

Cookbooks will be available for pickup at McMath in June over the course of two days (specific dates TBD).

NOTE: The person who is dropping off and picking up the cookbook must be from McMath.

How much is the cookbook and how should I donate?

It's \$7 per cookbook, however additional donations are very welcome and much appreciated! We are accepting cash or cheque only. If you are paying by cheque, please make it payable to R. A. McMath Secondary School.

What if I want to donate money but don't want to order a cookbook?

That's completely fine! When you're filling out the pre-order form, just be sure to type in "0" for the # of cookbooks. In this case, there is no minimum donation amount.

COVID precautions:

- Face masks will be worn at all times. Should there be a line, we will ensure that people are standing 2 meters away from each other.
- All payments and cookbooks will be handled with gloves.
