WHAT IS CARDIO MIRACLE?

Cardio Miracle is the complete nitric oxide solution. It is the supplement to replace most supplements, including those hard-to-swallow pills or cabinets full of expensive vitamins. Cardio Miracle is one simple product that fulfills almost every nutritional need. It activates nitric oxide through your sublingual and gut pathway with a dual pathway delivery system. Cardio Miracle has been scientifically shown to stimulate nitric oxide expression for over twenty-four hours a day.

WHAT IS NITRIC OXIDE?

- a Nitric oxide is a short-lived gas produced in the walls of arteries and veins.
- b Nitric oxide is stimulated by amino acids and other ingredients.
- c Nitric oxide is one of the body's most powerful natural antioxidants.
- d There are currently more than 100,000 medical studies in the past twenty years that validate its importance and beneficial impact on cellular health.
- e The Nobel Prize in Medicine and Physiology was awarded in 1998 for discoveries related to the role of nitric oxide in being "the signaling molecule for the cardiovascular system."

THE LIFE-ALTERING STORY OF JOHN HEWLETT, CREATOR OF CARDIO MIRACLE

John Hewlett is the founder and formulator of Cardio Miracle. He created Cardio Miracle in order to help heal the hearts of his fellow man. In fact, had it not been for his own personal miracle with the miracle molecule called nitric oxide, he may not have survived to share his story and this product with you.

In 2007 John narrowly survived complications from a routine appendectomy. The surgery and subsequent complications including internal bleeding from a severed vein ultimately impacted years of ignored and partially genetic heart problems. When doctors also recommended quadruple bypass surgery following multiple complications from the appendectomy, he knew that it was time to search for another alternative.

This brush with death launched Hewlett on his quest to discover natural and effective ways of improving his cardiovascular and overall health. His quest eventually led him to a deep fascination with nitric oxide; leaving his profession to advocate for nitric oxide. In 2013, after several years of marketing and researching nitric oxide options, he determined that in order to create the finest nitric oxide supplement in the world with the latest science and the finest ingredients, it was necessary for him to formulate his own product. As a result of his own personal miracle, and because nitric oxide had been called the "miracle molecule" in leading periodicals, he decided to call his decade plus masterpiece: Cardio Miracle. Cardio Miracle is a supplement that contains the finest organic ingredients. Hewlett believed that these nutraceuticals would help stimulate and express safe, sustained nitric oxide in the vessels of the human body.

Cardio Miracle is a cutting-edge blend of over 50 ingredients and antioxidants, including organic beets, carrots, coconut, pineapple, and raspberries, combined with the best amino acids, such as **L-arginine, L-citrulline and L-ornithine**. These ingredients work together synergistically to promote and sustain the body's natural production of nitric oxide. Hewlett decided that "Cardio Miracle" was the correct name because thousands of customers have experienced personal "miracles" from this extraordinary formulation.

WHAT MAKES CARDIO MIRACLE SPECIAL AND UNIQUE?

Cardio Miracle is the ULTIMATE nitric oxide supplement because of its proprietary scientific validation at the most prestigious levels, with its specially formulated dual-pathway nitric oxide delivery with potent antioxidants, anti-inflammatories, and therapeutic Vitamin D3.

The exceptional cellular benefits of Cardio Miracle were first scientifically validated at the University of Ohio laboratory of the world renowned biochemist and researcher, Professor Dr. Tadeusz Malinski. Malinski is also a leading expert in vitamin D and nitric oxide measurements using nano technology.

Cardio Miracle ®

CARDIO MIRACLE BENEFITS

Cardio Miracle offers natural and daily therapeutic vitamin D3 delivery of the highest and most effective levels. Cardio Miracle contains organic fruits and vegetables, key amino acids, low glycemic scoring and calories for use by diabetics and cardiovascular compromised customers.

CARDIO MIRACLE SUPPORTS:

- 1 Improved vitamin D3 levels
- 2 Improved blood flow and oxygen
- 3 Improved lymphatic response
- 4 Natural Insulin receptivity
- 5 Cellular health and reproduction
- 6 Improved cardiovascular health
- 7 Improved sexual well-being
- 8 Improved energy and clarity
- 9 Pain management and mobility

WHY DO WE NEED NITRIC OXIDE?

NITRIC OXIDE:

- 1 Supports the immune system
- 2 Repairs the vessels of the body
- 3 Fights inflammation
- 4 Delivers vital nutrients to the cell
- 5 Facilitates the exchange of oxygen & cO2
- 6 Relaxes the arteries
- 7 Is the "the spark of life in the cell"
- 8 Is a mega-antioxidant
- 9 Breaks down biofilms of chronic illness
- 10 Repairs and relaxes the lining of the vessels (endothelial cells)

THE HISTORY AND TIMELINE OF THE EVOLUTION OF NITRIC OXIDE

Scientists theorize that early organisms produced nitric oxide to protect against oxidative harm. In 1869 Alfred Nobel stabilized nitroglycerin into dynamite, and then he noticed that his factory workers who suffered from angina found relief from chest pain after handling nitroglycerin. When Nobel himself fell sick, his doctor even prescribed nitroglycerin for his heart disease.

In 1980 Robert F. Furchgott discovered an unknown molecule that triggered muscle cells to relax, a signaling molecule that he called EDRF (endothelium-derived relaxing factor). In 1986 Louis J. Ignarro proved that EDRF is identical to nitric oxide. In 1998 Robert F. Furchgott, Ferid Murad, and Louis J. Ignarro won the Nobel Prize for Medicine and Physiology for their research regarding the benefits of nitric oxide as a signaling molecule in the cardiovascular system.

In 2000, several scientists and nutrition companies began to create L-arginine-based supplements to boost the natural production of nitric oxide. In 2015, after 8 years of research, John Hewlett formulated and launched Cardio Miracle in North America. Since that time, Cardio Miracle's efficacy and benefits of sustained nitric oxide production have been tested and validated by several scientists, including the acclaimed biochemist Professor Tadeusz Malinski. Cardio Miracle's 53 ingredients and proprietary dual-pathway delivery of nitric oxide confirm that Cardio Miracle is the complete and ultimate safe nitric oxide solution.

MALINSKI STUDY - SUMMARY STATEMENTS

"The supplement, named Cardio Miracle ... was used as a model for these studies and was donated from Evolution Nutraceuticals."

1. "Our laboratory was the first in the world to measure the production of nitric oxide in a single endothelial cell, in vivo in humans, and in the beating heart utilizing nanomedical nanosensors with a diameter smaller than 300 nanometers."
2. "In our laboratories, we were able to perform measurements of bioavailable nitric oxide produced by a single endothelial cell in different segments of the cardiovascular system, such as capillary vessels, aorta, and heart."
3. "In this study we performed several experiments ... to estimate how efficient and beneficial Cardio Miracle could be in the enhancement of the endothelial function and the efficiency of the cardiovascular system."
4. "It is not the total production of nitric oxide but the production of bioavailable nitric oxide (survives at least 1-6 seconds in the biological environment) that is important in the proper function of the cardiovascular system."
5. "Cardio Miracle's beneficial effect is based on two important pathways: L-arginine/NO pathway and the reduction of oxidative stress."

FRONTIERS IN NUTRITION, EMERGENT SYSTEMS: CARDIO MIRACLE ON VITAMIN D AND ATHEROSCLEROSIS

CARDIO MIRACLE ON VITAMIN D & ATHEROSCLEROSIS - SUMMARY STATEMENTS

1. Dr. Fliri and Dr. Kajiji (with Emergent System Analytics) describe the use of spectral clustering methodology to analyze protein network interactions affected by CM.
2. The benefits of Cardio Miracle have significant implications for the treatment of vitamin D deficiencies, atherosclerosis, and metabolic and infectious diseases such as COVID-19.
3. Cardio Miracle contains 740+ natural products identified in its ingredient list of amino acids and power foods - vegetables, fruits, botanicals, and herbs, and Cardio Miracle has 770 mechanisms of action supporting multi-system feedback loops never before observed in the human body
4. Cardio Miracle's unparalleled peer-reviewed in silico research shows for the first time that nitric oxide and vitamin D:

- a Support strong and functional cell walls
- b Intercept/reverse endothelial dysfunction, diabetic kidney disease, and Covid-19
- c Signal endogenous creation of vitamin D and enhance its efficacy from inert vitamin D fat cells
- d Down-regulate harmful cytokines (TGF beta, TNF, IL-1 and IL-6)
- e Control for killer cytokine storms and systemic chronic inflammation
- f Enhance cellular detox process or autophagy
- g Intercept progression of atherosclerosis, causing its regression
- h Intercept insulin dysregulation
- i Support regeneration of pancreas islet beta cells and creation/secretion/regulation of insulin

EMERGENT SYSTEMS ANALYTICS: CARDIO MIRACLE FOR DIABETES

CARDIO MIRACLE ON DIABETES - SUMMARY STATEMENTS

1. CARDIO MIRACLE's activation of Mediated Endocytosis (CME) via CM's eNOS production forms a pathogenic positive feedback loop, assists in insulin receptors' internalization and recycling thereby increasing insulin sensitivity in early stages of diabetes, is anticipated to prevent or slow development of insulin resistance and diabetes, and attacks the root causes of cardiovascular and metabolic disease.

2. CARDIO MIRACLE decreases and down-regulates Caveolin 1, down-regulates TGF-beta, supports Pancreatic Beta Cell Functions, and protects mitochondrial functions that offer opportunity for improving T2D treatments and outcome

3. CARDIO MIRACLE ingredients support and upregulate autophagy and mitophagy.

4. CARDIO MIRACLE's grape seed extract fine tunes E2F1 activities, reversing HDAC1 (E2F1 inhibitor) and promotes B cell and mitochondrial health and function.

5. CARDIO MIRACLE Increases Insulin Secretion.

NOTEWORTHY ENDORSEMENTS

G. EDWARD GRIFFIN

Author, Speaker, Researcher, Health Liberty Advocate

"I can look back at Cardio Miracle having been instrumental in my health and giving me the clarity and energy to continue working the schedule of a 40-year-old. The amazing stories and experiences of countless readers has been very gratifying. Try it, it will work for you also."

DR. SHERRI TENPENNY

Osteopathic Physician, Speaker, Educator, Consultant

"I love this product. I use it first thing in the morning - I don't need to eat until 3pm! If I need a boost in the evening, I drink another packet. The taste is great and so good for you!"

DR. JUDY MIKOVITS

Author, Speaker, Health Liberty Advocate

"Cardio Miracle is an everyday staple in my diet. Every person who has been compromised or affected during the past couple of years with rampant illness should take this every day. There is nothing like it!"

DR. CHRISTIANE NORTHRUP

Author, Intl. Wellness Expert, Women's Advocate

"When I was introduced to Cardio Miracle several years ago, I was thrilled to finally find an answer for increasing nitric oxide and absorbing vitamin D3. I take it every day and recommend it to my subscribers, colleagues, and family. It is a GAME CHANGER!"

ROBERT SCOTT BELL

D.A. HOM., Author, Health Liberty Advocate, Host of The Robert Scott Bell Show

"I want to share with you a powerful and effective supplement that is an integral part of my daily fitness as I push my body into higher degrees of performance. Cardio Miracle is a must!"

DR. JOSHUA HELMAN

Emergency MD, Harvard/MIT Biochemist

"Having been trained in biochemistry at Cambridge and Harvard and after hearing the Cardio Miracle science and research, I tried it for myself. The results surprised me. I have observed over the past 6 years hundreds of similar experiences with this most interesting formula. I recommend it highly to everyone I treat and lecture to - the best of its class by far!"

THE BENEFITS OF SUPPLEMENTATION WITH CARDIO MIRACLE

A dose of Cardio Miracle is a great way to start your morning routine. It is a natural alternative to the traditional substances that many Americans ingest on a daily basis. A full night's sleep, the elimination of coffee and energy drinks, reducing or eliminating toxic foods, regular moderate exercise, better hydration, and a full dose of Cardio Miracle twice per day can contribute to improved energy levels.

It makes sense that improvement in one area of the body can contribute to improvement throughout the body. Enhanced nitric oxide accomplishes this very thing, beginning with the endothelium and progenitor cells. Progenitor cells are repair cells that fill in the rips and tears created by toxins in our blood stream. As we age (specifically as we pass the age of forty) the repair process conducted by progenitor cells slows down because nitric oxide production diminishes significantly. The stimulation of natural nitric oxide production, therefore, can reduce or reverse the obstacles to the work of progenitor cells.

As we age, the endothelium becomes more rigid. Rigid blood vessels make it more difficult for blood to flow smoothly, which leads to cardiovascular problems, and a potentially a host of other debilitating problems. Nitric oxide helps the endothelium to relax, to soften, and to become less rigid, which in turn supports healthy blood pressure and eases the burden on your heart. Nitric oxide keeps blood vessels flexible and smooth so that blood can easily reach the vital parts of the body.

Because Cardio Miracle enhances the body's natural production of nitric oxide, it benefits overall health and vitality fitness in the variety of ways described by Dr. Ignarro, Dr. Cooke, Dr. Bryan, Dr. Zand, Dr. Stamler, Dr. Bryan, Dr. Zand, Dr. Sinatra, Dr. Malinski, and many others.

3 EASY STEPS TO ENJOY

Find your favorite glass or bottle. Mix 1 scoop or packet of Cardio Miracle in 8-16oz of water to your taste.

Stir or shake generously. You can be creative. Some people enjoy adding ice cubes. Mix with juice, in a smoothie, or in hot tea! **DO NOT** mix with protein for maximum efficacy of nitric oxide.

Enjoy your Cardio Miracle twice daily. You can dose up with extra servings if you need an extra boost!

CONCLUSION

In these few pages we've learned about the creation and purpose of Cardio Miracle, nitric oxide and why we need it, the history and discovery of nitric oxide, Dr. Louis J. Ignarro's Nobel Prize-winning discoveries, and the scientific studies that confirm the benefits and efficacy of Cardio Miracle. We've reviewed these scientific studies, which include the Malinski study, the Frontiers in Nutrition report, and the Emergent studies on Cardio Miracle, atherosclerosis, and diabetes. We've followed John Hewlett's incredible journey from a nearly fatal hospital catastrophe to vibrant health thanks to a twice-daily regimen of Cardio Miracle's nitric oxide-boosting formula.

In these few pages, we've joined Hewlett on his quest to heal the hearts of his fellow men through his efforts to research, formulate, and distribute Cardio Miracle. We've learned why Cardio Miracle is the complete nitric oxide solution, the finest blend of nitric oxide enhancing ingredients, and the supplement to replace your cabinets full of expensive vitamins, minerals, and many other supplements.

Cardio Miracle is the one daily product that fulfills your needs for vitamins, minerals, and antioxidants by means of its dual pathway delivery (in the mouth and in the gut). Cardio Miracle can stimulate and safely deliver therapeutic nitric oxide levels 24 hours per day.

Try it yourself, you now have read the research and the mission, make yourself the next Cardio Miracle!

... PLAN OF ACTION ...

Discover for yourself the benefits of Cardio Miracle.

Take a delicious serving of Cardio Miracle **twice per day**. To jumpstart the benefits, you can "front-load," or take **3 servings a day for the first week**.
