SUSTAINABLE RESPONSIBILITY

Fairmont Le Château Frontenac is proud to be the first historic hotel in Canada to achieve net-zero carbon emissions thanks to a partnership with Laval University. Fairmont Le Château Frontenac's entire team contributes daily to sustainable development initiatives. Far-reaching projects and simple actions are carried out to protect the environment and support the local community.

CHÂTEAU BORÉAL PROGRAM

Fairmont Le Château Frontenac has set up the Château Boréal program. This program, in partnership with Montmorency Forest, Laval University's research and teaching forest greatly reduces the carbon footprint of the hotel. Guests staying two days or more may decline the daily housekeeping visits. To thank its conscientious guests, Fairmont Le Château Frontenac is committed to planting a tree per night in their name in the heart of the Montmorency Forest.

BEE-FRIENDLY HOTEL

Bees are one of the most effective pollinators on the planet, and we rely on them for one-third of the food we eat. That's why we have installed an apiary on our roof to help this important pollinator. Here at the Château, our four beehives house 70,000 bees, producing up to 650 pounds of honey per year. The honey is harvested twice a year and is used in our kitchens, but also in our cocktails.

GREEN IS ON THE MENU

Fairmont Le Château Frontenac is committed to purchasing local, organic, fair trade and sustainable food products wherever possible, including utilizing organic and biodynamic wines and local purveyors.

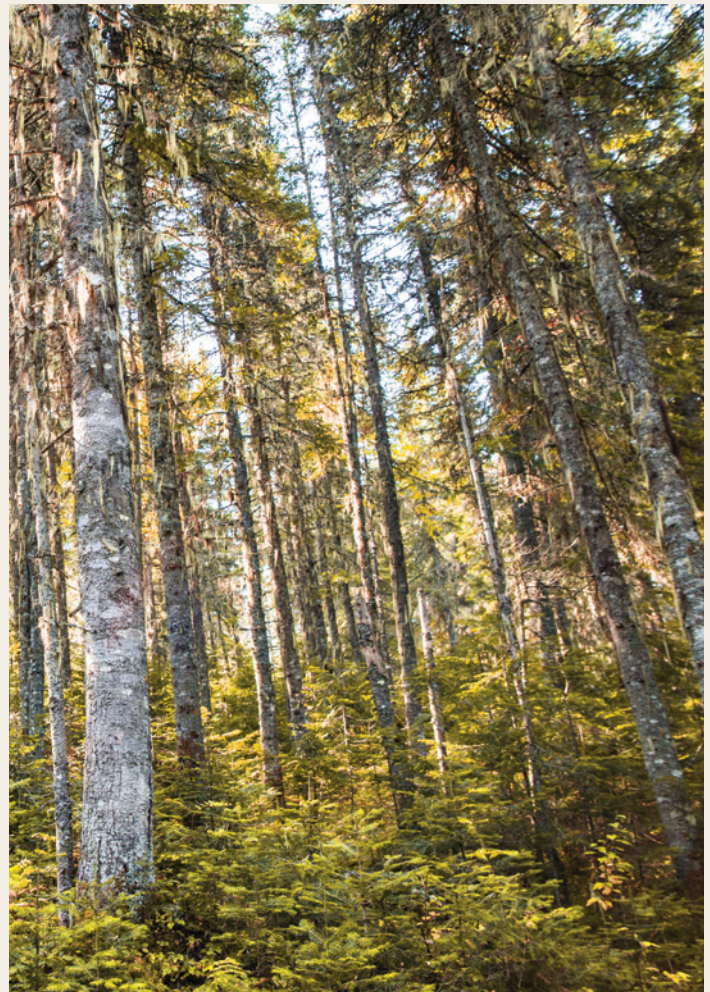

DIVERSITY, EQUITY & INCLUSION

Welcoming others, accepting and valuing their differences, acknowledging that we will be enriched by our contact with them—these are some of the founding principles of our management ethic. An intrinsic part of our DNA, it is key to our collective success. At Fairmont Le Château Frontenac, we focus on four key pillars to help support diversity, equity, and inclusion.

- Gender equality and diversity
- Inclusion of people with disabilities
- Richness of social, ethnic, racial and cultural diversity
- LGBTQ+ inclusion

SOCIAL COMMITMENT

Active in its community, Fairmont Le Château Frontenac supports more than 20 organizations and foundations each year that help a wide variety of causes. For example, every fall, the lobby of the Château Frontenac is transformed into an enchanted forest thanks to Trees of Hope, whose Christmas trees are sponsored by businesses, with all proceeds going to the CHU Foundation. This activity alone has raised over \$100,000 for sick children since the first year.
