

## Privacy Policy

The SaferCHILD App and ShareCare App are smart device / application platforms that provides users with intelligent terminal operation services to include internet access function, data ability, and human-computer interface, data presentation and transmission services.

By visiting Baby Alert International Web Site, SaferChild App, ShareCare App ,you are accepting the practices described within this Privacy Notice.

### **What information do we collect?**

We collect information from the devices used by users to access the service, as well as information related to these devices. The information includes the following categories: IP address, location information, device type, address book, emergency contacts, email address and the identifier associated with your device.

### **Do we disclose any information to outside parties?**

We do not sell, trade, or otherwise transfer to outside parties your personally identifiable information. This does not include trusted third parties who assist us in operating our website, conducting our business, or servicing you, so long as those parties agree to keep this information confidential. We may also release your information when we believe release is appropriate to comply with the law, enforce our site policies, or protect ours or others rights, property, or safety. However, non-personally identifiable visitor information may be provided to other parties for marketing, advertising, or other uses.

Occasionally, at our discretion, we may include or offer third party products or services on our platform. These third party sites have separate and independent privacy policies. We therefore have no responsibility or liability for the content and activities of these linked sites. Nonetheless, we seek to protect the integrity of our platforms and welcome any feedback about these sites.

### **What do we use your information for?**

#### **To personalize your experience**

Your information helps us to better respond to your individual needs.

To improve our platform and to optimize the user experience.

We continually strive to improve our platform offerings based on the information and feedback we receive from you.

#### **Location data**

We collect foreground and background location data only while users are in use of our services. This enable us to provide emergency realtime location data.

Your information, whether public or private, will not be sold, exchanged, transferred, or given to any other company for any reason whatsoever, without your consent, other than for the express purpose of delivering the purchased product or service requested by the customer.

### **To send periodic emails**

The email address you provide for registration, will only be used to send you information and updates pertaining your account and safety warnings.

If you decide to opt-in to our mailing list, you will receive emails that may include only product or service related information, etc.

Note: If at any time you would like to unsubscribe from receiving future emails, we include detailed unsubscribe instructions at the bottom of each email.

To administer a contest, promotion, survey or add other features.

### **Online Privacy Policy Only**

This online privacy policy applies only to information collected through our our platform and not to information collected offline.

### **Your Consent**

By using our site, you consent to our privacy policy.

### **Changes to our Privacy Policy**

If we decide to change our privacy policy, we will post those changes on this page.

## **Contacting Us**

If there are any questions regarding this privacy policy you may contact us using the information below.
