- Average total pay range is \$31-\$56 an hour (this range includes client recommended upgrades that pay you \$3-\$8 per session + your tips).
- PTO for every tier level.
- Flexible Schedules
- BENEFITS

A NOTE FROM OUR OWNERS

Thank you for choosing a career in Massage Therapy. You have a direct impact on the lives of each client you meet. We would love to have an opportunity to talk with you about the possibility of being able to work with you.

We wanted to take a minute to let you know some of the things that we make available to you so that you can enjoy what you do a little more every single day.

First, we operate on a tier system for greater earning opportunities. Second, we offer competitive base pay for each of our tiers and, we offer additional paid time off based on your tier. Third, we offer several enhancements you may offer your clients that will pay you an additional \$3-\$8 per service! Next, we provide you your linens, massage mediums and book your appointments for you. And finally, we value your work/life balance and therefore, allow for a truly flexible work schedule.

We truly want you to be able to focus on what you love and are very much looking forward to the possibility of working with you.
