

Hung Vo

**Your Independent
Candidate for
CLARINDA DISTRICT**

***“Representing You,
Your Voice First!”***

Dear Neighbour,

My name is Hung Vo, and I am your Independent Candidate for the Clarinda District 2022. It's an honour once again to stand in the Victorian State Election 2022, to represent the young, the elderly and all the people in the Clarinda District.

If elected in November 2022, I will represent the people in the District of Clarinda truly. It is my pledge to support and care for everyone, and ensure all voices are heard and brought forward at the State Parliament.

The Clarinda District includes part of Oakleigh South, part of Cheltenham, part of Mentone, Clarinda, Clayton South, Dingley Village, Springvale South, part of Noble Park, and Keysborough.

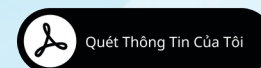

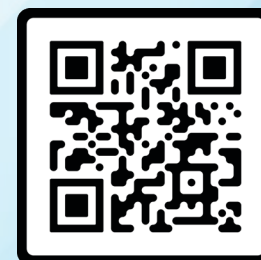

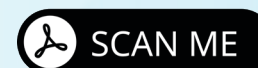

On the last Saturday of November 2022, Victorians will be going to the polls to elect the candidates for both Houses, the Legislative Council (the Upper House), and the Legislative Assembly (the Lower House). I will contest in the Legislative Assembly.

I need your vote so together we can improve the services and the well being of the people living in the Clarinda District. Your vote is very important to me because a vote for Hung Vo is a vote for a stronger local representative. As someone who has lived in Springvale South my whole life, I know what needs to improve in the Clarinda District, and I know what an ideal representative will do. I can pro-actively work to represent your voice at parliament, improve services for the district of Clarinda and actively participate in community programs like an elected candidate should be doing, instead of hibernating away from the community.

Building a stronger community and providing better services to the Clarinda District requires the leadership of an elected candidate aligned with the various ethnic community leaders, with a strong vision and focused on positive growth. I believe I am the right candidate to represent you, and do the best that an elected candidate can do for the people of this district.

**IF ELECTED TO REPRESENT
THE PEOPLE OF THE
CLARINDA DISTRICT,
HERE ARE SOME OF THINGS
I WILL DO FOR THIS
COMMUNITY**

- 1. I will donate 15% of my annual Income for the next 4 years. This money will be put towards the after-school sports program for all schools in the Clarinda District.**
- 2. I will organise quarterly Trivia Nights for our senior citizens to have a great night. The prizes and funds will be supported by local businesses.**
- 3. I will organise bi-annual meetings with the community to listen to all questions, concerns, and new ideas, in order to understand what government policies need to be updated and what needs to be raised at Parliament.**

IF ELECTED TO REPRESENT THE PEOPLE OF THE CLARINDA DISTRICT, HERE ARE SOME OF THE POLICIES I WILL PUSH AT PARLIAMENT:

NO TRAIN YARD

I stand with the people of the Clarinda District in opposing the Train Yard, which does not belong in the heart of the Clarinda District. I will petition and lead the people of the Clarinda District in voicing opposition to this eco-unfriendly plan. Working together, we can stop this train yard from happening, and allow this beautiful site to be transformed into a permanent nature reserve for all the citizens, young and old, to enjoy for years to come. I can be your voice in Parliament, but only with your vote.

EDUCATION

I will ask the State Government to build a technical school in the Clarinda District, in order to meet the staffing needs of local businesses. This will also provide the right training for our young adults who prefer hands-on real life work experience, so they can find a clear direction for their career and become qualified in a job that they are good at.

UNEMPLOYMENT

I have seen youth unemployment growing and more jobs going offshore. I will actively lobby the State Government to implement a program where local businesses and/or agencies are incentivised to train and employ young people in the Clarinda District. I will also actively encourage local businesses and/or agencies to be part of the program. I believe the only way of reducing unemployment among young

adults is for the State Government to partner with and support local businesses. As an elected candidate to the Clarinda District, I believe I have to interact with local businesses and community leaders to bridge differences, offer support from the State Government and solve local problems. By working together, the whole community benefits socially and economically.

CONCLUSION:

I believe a representative of the Clarinda district needs to be a local who can connect strongly to our community and work well with all different communities and ethnic groups.

I also believe a true representative of this area will produce positive change within a year of taking office.

I am a mortgage broker by profession. As a mortgage broker, it is my duty to promote the best interests of my clients. If elected to represent the Clarinda District, I will similarly promote the best interests of my constituents. I will work faithfully to achieve my promises and represent your voice at State Parliament.
