ABOUT KOREAN CULTURAL CLUB

First established in October 2006 with the endorsement and support from the Singapore Korean Embassy, Korean Cultural Club (KCC) is the first Korean club in a Singaporean education institution.

KCC aims to raise awareness about Korean culture to youth and gives NP students the opportunity to learn basic conversational Korean language as one of the perks of becoming a member.

With a record of 400 members in 2010, KCC set up the Korean-Pop (K-Pop) dance sector, allowing members who are interested in K-Pop dance to develop their dance skills and make friends of the same interests.
